

Application for Clinical Registration

If you are not currently registered with the College, you will also need to complete the RSW Application Package (except for the character references).

Applicant Name: _____
Last Name First Name

BCCSW Registration #: _____

Applicant Signature

Date (MM/DD/YYYY)

Once all the required documents listed below have been received, the College will review the application in its entirety. Applicants will be notified, by email, of the outcome of the application after this review has been completed.

An approval of this application will provide the applicant with an authorization to write the Association of Social Work Boards' **clinical exam**. Successful completion of this exam will confirm your clinical registration with the College.

Documents needed in addition to RSW requirements:

- An official transcript of your Master's or Doctoral degree in social work unless one is already on file with the College
 - Evidence of a minimum of \$2,000,000 liability insurance per occurrence
 - Completed 'Course of Study Form' including course descriptions/syllabi for courses listed
 - An up-to-date resume
 - Evidence of 3000 hours of post masters or doctoral supervised clinical social work experience; if not apparent on resume
 - Two 'Clinical Reference' letters completed by one of the following: registered social worker, psychiatrist, other physician, or registered psychologist. If your direct supervisor does not meet the previous requirements, please submit a third reference from this person.
-
