- (2) “**tribunal**” means the discipline committee or a panel of the discipline committee.

Scale of costs

- 2 (1) Where a tribunal has made an order for costs, it may fix the scale, from Scale 1 to 3 in subsection (2), under which the costs will be assessed, and may order that one or more steps in the proceeding be assessed under a different scale from that fixed for other steps.
- (2) In fixing the scale of costs the tribunal shall have regard to the following principles:
 - (a) Scale 1 is for matters of little difficulty;
 - (b) Scale 2 is for matters of ordinary difficulty or complexity;
 - (c) Scale 3 is for matters of more than ordinary difficulty or complexity.
- (3) In fixing the appropriate scale under which costs will be assessed, the tribunal may take into account the following:
 - (a) whether a difficult issue of law, fact or construction is involved;
 - (b) whether an issue is of importance to a class or body of persons, or is of general interest;
 - (c) whether the result of the proceeding effectively determines the rights and obligations as between the parties beyond the relief that was actually granted or denied.
- (4) Where an order for costs has been made, or where, on a settlement, payment of assessed costs has been agreed to, but no scale has been fixed or agreed to, then the costs shall be assessed under Scale 2, unless a party, on application, obtains an order of the tribunal that the costs be assessed under another scale.
- (5) Where costs may be assessed without order or agreement, the scale of costs shall be fixed by the tribunal upon the assessment.

Value of Units

- 3 (1) The value for each unit allowed on an assessment is as follows:
 - (a) Scale 1 = \$40 for each unit;
 - (b) Scale 2 = \$80 for each unit;
 - (c) Scale 3 = \$120 for each unit.
- (2) Where maximum and minimum numbers of units are provided for in an Item in the Tariff, the tribunal has the discretion to allow a number within that range of units.
- (3) In assessing costs where the Tariff indicates a range of units, the tribunal shall have regard to the following principles:
 - (a) one unit is for matters upon which little time should ordinarily have been spent;
 - (b) the maximum number of units is for matters upon which a great deal of time should ordinarily have been spent.

Per Diem Rates

- 4 (1) Where in a Tariff Item a number of units is allowed for each day but the time spent during a day is not more than 4 hours, only 1/2 of the number of units shall be allowed for that day.
- (2) Where in a Tariff Item a number of units is allowed for each day but the time spent during a day is more than 8 hours, the number of units allowed for that day shall be increased by 1/2 of the number.
- (3) Where in a Tariff Item a number of units is allowed for preparation for an attendance but the time spent on the attendance is not more than 4 hours, only 1/2 of the number of units for preparation shall be allowed.
- (4) Where in the Tariff units may be allowed for preparation for an activity, the tribunal may allow units for preparation for an activity that does not take place or is adjourned up to the maximum allowable for one day.

Offer to Settle Bill of Costs

- 5 (1) A party to an assessment may deliver to another party an offer to settle the amount of the bill of costs and, after the assessment has been completed, may produce the offer to the tribunal, and the tribunal shall determine whether the offer should have been accepted and, if so, may disallow items of the Tariff which relate to the assessment to the party presenting the bill, and:
 - (a) allow, by way of set off, items of the Tariff which relate to the assessment to the party making the offer; or
 - (b) allow double the value of items of the Tariff which relate to the assessment to the party presenting the bill and making the offer.
